

“SINATRA AT THE SANDS is nothing short of a swingin’ time trip back to the Las Vegas strip. Joey Jewell’s performance is true to the incomparable phrasing and vocal texture of Frank Sinatra, and evokes the swaggering spirit of Ol’ Blue Eyes”.

**Dan Murphy, Operations Manager

“Frank Sinatra fans, you’re in luck. Jim Kerl’s Swing Session provides swinging, big-band back-up for Joey Jewell’s warm, engaging tribute to Sinatra. Close your eyes and you’ll feel transported back in time to the Rat-Pack era”.
