GREAT SONGS. GREAT STARS!

THE GOLDEN AGE OF ENTERTAINERS

**Frank! Judy! Bing! Rosemary! Tony! Lena! Ella! Sammy!
Billie! Peggy! Nat! Dinah! Fred! Dean! Bobby!**

Once upon a time we knew these great entertainers on a first-name basis as they came into our living rooms once a week or every Christmas season. Those were the glory days of entertainment – when a well-written song in the hands of a skillful singer was enough. No half-naked dancers, no pyrotechnics – just some barstools, a band and a few good friends making music the old-fashioned way.

This elegant, sophisticated and delightfully fun concert pays tribute to those great entertainers with such songs as *“THE LADY IS A TRAMP”*, *“THE TROLLEY SONG”*, *“FEVER”*, *“ IN THE COOL, COOL, COOL OF THE EVENING”*, *“DREAM”*, *“I’VE GOT YOU UNDER MY SKIN”*, *“L-O-V-E”*, *“LET’S FACE THE MUSIC AND DANCE”*, *“ON THE STREET WHERE YOU LIVE”*, *“I’LL BE SEEING YOU”*, *“I GET A KICK OUT OF YOU”*, *“TOP HAT”*, *“HELLO, YOUNG LOVERS”*, *“COME RAIN OR COME SHINE”* and *“ONE FOR MY BABY”*.

Whether performed with the big-band or the cocktail trio, **GREAT SONGS, GREAT STARS!** is perfect for the big stage or the intimate nightclub. Your audiences will be swept away on a sentimental journey back to those nostalgic days of not-so-long-ago, when life moved a little slower – each singer would put their own unique spin on a song – and great entertainers enjoyed sharing the stage with other great entertainers!
